We are delighted to announce that bookings are now being taken for the

MIDDLE EAST REGIONAL OFFSET CONFERENCE

Taking place in Abu Dhabi on Thursday 15th February

This major international offset conference is being jointly organised by the Defence Manufacturers Association of Great Britain (DMA) and the Global Offset & Counter-Trade Association (G.O.C.A.) and has been timed to take place just before the prestigious and internationally-renowned IDEX international defence exhibition, in Abu Dhabi. The Conference is being hosted and supported by the United Arab Emirates Offset Group (UOG).

A welcome reception is being planned for the evening of Wednesday 14th February, at the 7 star Emirates Palace Hotel, the official hotel for the conference. This would be a perfect opportunity for networking with fellow delegates.

The conference will take place, also at the Emirates Palace, on Thursday 15th February. Speakers will include offset experts, from both Government Offset Authorities and Industry on the UAE, Kuwait, Saudi Arabia, Oman and Turkey, amongst others. All major offset authorities in the region will be invited by the organizers and host.

A Gala Dinner is being planned for the evening of the 15th, which will provide another opportunity for networking in a highly convivial atmosphere.

This will be the first international offset conference to be held in any of the Gulf States since the spring of 1999, and will be of great interest and benefit to international companies seeking to do business in the Middle East.

We have special rates for the exclusive 7 star hotel, the Emirates Palace, and the nearby Hilton and Sheraton Hotels. Booking codes for these hotels will be sent on receipt of your booking form, attached below.

We hope you are able to join us for this very special event.
