“The history of our company was broke in two after managing the strategy with Suite Visión Empresarial- BSC In the last five years we have multiplied by three our profits”

Fabiola Báez

EXTRUCOL President

March 2010

Ministerio de Defensa Nacional
República de Colombia

The Ministry of Defence has improved management control: "... the information is more timely, more orderly, we have frequent reports, demonstrated progress in strategic meetings, more visibility in public server management and compliance mission "

Colonel William Tamayo

Steps to follow
