

Holding Company

Inversiones Mundial S.A.

✓ **Our Mission:**

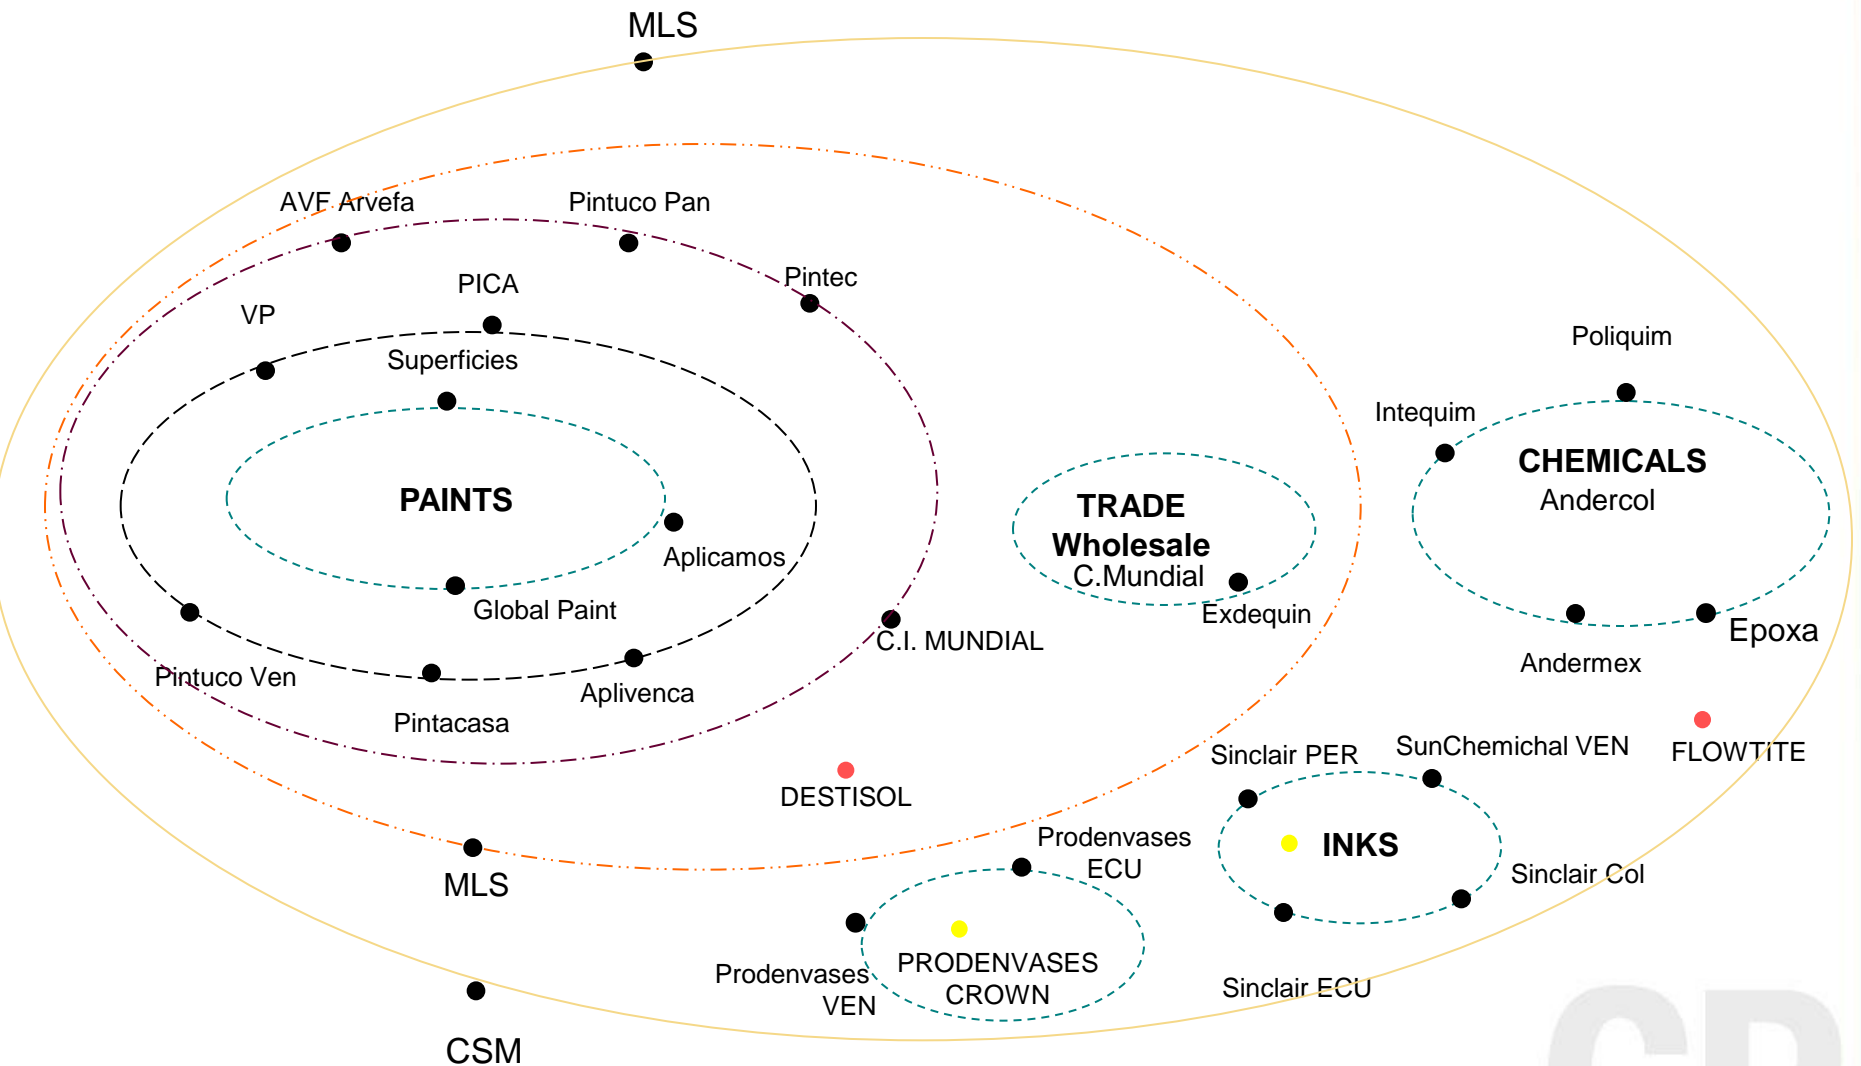

- To be leaders in every country of our regional market (Andean Region & the Caribbean).
- To generate shareholder value.
- To develop and commercialize products and services to satisfy our customer needs better than our competitors.
- To provide a work environment that promotes an integral development of our employees.
- To recognize a well done job.
- To promote team work.
- To empower every level of the organization to make decisions according to their attributions.
- To be the best team and be proud of it.

✓ **Our Vision:**

- We are a group of international companies seeking to be leaders in the businesses and markets in which we participate, widening our action radio every day, emphasizing the strength of the actual operations and the search of new opportunities of investment in low risk countries without assuming unnecessary risks that compromise the financial structure.

- Company headquarters based in Medellin, Colombia.
- Family owned company with independent management.
- Listed on the Colombian stock exchange.
- Focused on the chemical sector with paint as core business.
- Established in 1921 as a wholesale distributor.
- Paint business begins in 1945 with the Pintuco operation.
- Progressive expansion throughout the Andean region of South America, Chile and Mexico.
- Today we own 23 companies in 6 countries and we have presence in other 9 countries through exports
- We sell more than 1 million gallons of paints per month in Colombia.
