to deliver your cargo
anywhere in the World

Al-Ghanim & Al-Majid
Shipping Co. W.L.L

Complete Logistics Company

Emerging popularity in the Middle East and around the World

About Us

Established in 1991, AGAM has grown from strength to strength, reaching a formidable position today as one of the leading and most reliable "Total Logistics Company". Emerging popularity of AGAM is evident not only in Kuwait and Middle East, but also around the world as a cost effective, capable and reliable logistics company.

Services

- Operating dedicated coastal vessels linking major ports in Kuwait and the Middle East with regular sailing schedules.
- Operating fully owned, dedicated fleet of vehicles for organized handling and transport of all kinds.
- Efficiently networked transport of stock goods and door-to-door deliveries.
- Freight consolidation services with options for LCL and FCL consignments.
- Agency services for international shipping lines.
- Supply of our own trucks, trailers, cranes, containers, other heavy and light supporting equipments on lease or hire.
- Excellent warehousing facilities at key locations
- Customs clearance.
- Free Trade Zone services

A powerful
force driven by
Team-spirit

Freight

At AGAM, we offer a full range of services including project cargo handling, sea freight, airfreight and land transportation. As your reliable logistics partner, we take care of co-ordinating the carriers, prepare all documents from the point of origin to final destination, arrange for doorstep pick-up and delivery, cargo insurance, and take care of everything in between.

Sea Freight

With our long standing alliance with worlds leading shipping lines we are able to provide you the flexibility and best value for your money while delivering your cargo anywhere in the world.

Air Freight

A dedicated team that moves fast to arrange pick-up, perfect packing, palette, and load on our co-ordinated network carrier, losing no time or effort until its delivered to the destination.

Land Freight

Our fleet of land carriers is an efficient force seamlessly integrated with your ocean or air transport. While handling your project cargo, our range of vehicles and equipments are force multipliers.

Capabilities

We have made large investments in vehicles, equipments and manpower to deliver a top class supply chain system. Over the years our personnel have gained hands on experience in handling projects under harshest conditions in some of the toughest terrains imaginable. We are one of the prominent transport and logistic managers in the process of rebuilding Iraq. We have been transporting all kinds of goods in and around the Middle East for over a decade.

Project Cargo

AGAM handles logistics management of high value commodities, heavy industrial equipment and turnkey projects requiring extensive heavy lift with multimodal transportation. Our experts advice and assist you with all aspects of forwarding, including packing, insurance, security, hazardous goods regulations, consular documentation and all necessary paperwork.

Customs Clearance

At AGAM, we have a highly experienced team with up to date knowledge of various regulations and tariffs involved in clearing your consignments. With the help of our services you will be saving time and money.

Our infrastructure
is capable,
focused and bound with
one mission statement
"Handle and Deliver with Care"

Warehouse

We have built spacious, well-maintained warehouses in 3 strategic locations in Kuwait - at Subhan, Ardiya and Ahmadi. Our warehouses are capable of handling large or small volumes to suit customers' requirements, and are well equipped to handle dry & cold storage. Short or long term storage is available for domestic and export bound goods with customer-friendly rates and customized logistic solutions to meet the specific needs of your business.

We offer
highly flexible,
cost-effective options

Substantial **Investments** in key infrastructure and **Quality manpower**

Distribution

At AGAM, we have built an excellent infrastructure with an extensive range of trailers including reefer trucks, curtain trailers, half lorries, flat bed, low bed trailers and multi axle trailers, bobcats, forklifts, cranes, car carriers, delivery vans / mini buses, etc. For safe handling of cold and dry storage we have a specialized team with special vehicles.

Infrastructure

Over the years we have invested heavily in equipments and quality manpower. As a result we have built a highly efficient, professional team of over 400 people who are working at our various offices, facilities, ships, docks, warehouses, trucks and overseas to take care of your shipments and deliveries.

Iraq Operations

AGAM is an expert for specialized cargo movement such as military supplies. Neighboring to Iraq, our strategic position helps in reducing the time and money to deliver the military logistics to any part of Iraq within shortest possible time.

Transit Cargo Handling

AGAM with its own offices and facility in Kuwait Free Trade Zone specializes in cargo clearance, storage and onward transportation to Iraq and to the region.

Shipping Agencies Division

AGAM has a dedicated division with professional team to take care of the shipping agencies activities, liaising with Kuwait port authorities. Our team takes the responsibility to arrange the berthing, unloading and dispatch of consignments under their expert supervision. With prompt and efficient handling we help expedite the process.

Our Shipping Division handles all types of vessels viz:

- General Cargo Vessels
- Container Vessels
- Ro-Ro Car Carriers
- Livestock Carriers
- Heavy lift Vessels
- Reefer Vessels
- Panamax Bulk Wheat/ Barley Vessels
- Off Shore Vessels and Barges

AGAM Values

- We strive to deliver the highest possible value and services to our customers.
- We continuously innovate our services and business process.
- We expand our abilities by investing and acquiring better vehicles and equipments.
- We spend time and effort to train our manpower.
- We build healthy relationships with our network partners by giving our best support.
