

Kuwait Pipe Industries & Oil Services Co. (K.S.C)

Welcome To KPIOS

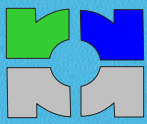

KPIOS HISTORY

- **KPIOS was established in the year 1966 as Kuwait Metal Pipe Industries (K.S.C), a Kuwaiti share holding company, known in short as KMPI.**

- **KPIOS has stated its commercial production in 1968.**

- **KPIOS has produced more than 1,000,000 Tonnes of line pipes; serving various countries in ASIA, AFRICA and EUROPE**

DIVERSIFICATION OF ACTIVITIES

- **The company has diversified its activities due to market demand adding oil services to its field.**
- **In the year 1998 the company's name has been changed to Kuwait Pipe Industries and Oil Services Company as a first step towards the expansion and diversification strategy.**
- **A well equipped pressure vessels fabrication workshop named JPME has been installed and commissioned. The plant went into full scale of pressure vessels fabrication in the 1st quarter of 2001**
