

KIT MOTO TRAFFIC

Signaling lights and sounds for emergencies, that clears the way

Wired flexible microphone for helmet

MTL-01

180° signaller 3rd generation LED type

MTL-02

3rd generation LED type lamps

Weather resistant loudspeaker

Professional 50W

Waterproof controls

P.A. & sirens Module

Professional 35W

Bluetooth® P.A. Module

Optional

Work with standard motorcycle battery (10.5V to 15V)

Weatherproof and vibration resistant

B&G

ACCESSORIES

WIRELESS COMMUNICATION MODULE

- 30ft Radius Range.
- Bluetooth® Technology.
- AG HFP Bluetooth® profile type.
- 3 Mbits / s bandwidth.

WIRELESS MICROPHONE WITH BLUETOOTH® TECHNOLOGY

- Easy to install wireless flexible microphone (optional).
- Possibility of connection with other intercoms or bluetooth devices.
- Fixing on the helmet by velcro® or braket.
